

Covenant Enforcement Pool Rules & Regulation Fines

The Association Policy for violation of the Pool Rules & Regulations is a FINE of up to \$100.00 per occurrence.

Every homeowner is asked to help enforce the Rules & Regulations posted at the pools.

If you observe a violation,

- ask the violator to read the posted Rules on the Bulletin Board and to stop the infraction
- call CAS, Inc. (the association management company) at 919-367-7711 X1501 to report the violation. If possible, provide a confidential report with the violators name and/or address.

We all can do our part to ensure the enjoyment and safety at our pools if everyone follows the posted Rules & Regulations.
